## How WordFinder Unlimited Works

WordFinder Unlimited is a subscription-based dictionary service featuring the world's largest collection of dictionaries in 12 languages. For a complete list of dictionaries click [here](#).

Users subscribe monthly, the first 30 days are always free of charge and users can cancel their subscription at any time. WordFinder Unlimited includes in addition to the dictionaries, five interactive applications that users can download onto their computers, smartphones, and tablets. The dictionaries are also accessible via web browser. Users can search their dictionaries online or offline. This means that users always have access to their dictionaries, regardless of if they are at home, at work or traveling. Fast, simple and flexible!

“WordFinder Unlimited saves me lots of time when I communicate with different medical organizations in Europe and worldwide,” commented Gabriella Blomberg, International Coordinator, at the Swedish Medical Association. “The service also helps me find the right words and expressions for different contexts.”
