Select dictionaries

To select the dictionaries, you would like to use, click on the cog-wheel and select **Dictionaries**.

Filter the dictionaries by selecting language directions and/or keywords such as publisher, title or other. You activate a dictionary by clicking the outlined check icon which appears when you point at the dictionary with the mouse. When the icon colour changes to green, the dictionary is active. The title of the selected dictionary is displayed on a purple background, so that you can easily see that it is active.

You can see the dictionaries in a tabular layout by clicking the icon in the upper right corner.
